

# Changing lives and growing churches.

As children learn to put their faith and trust in Christ and his unchanging truth, the children are changed. As they change, so do their families, and so do churches. One of the most frequently mentioned benefits of a successful Pioneer Clubs program is church growth. Parents get involved with churches that welcome and care for their children. Often children who attend Pioneer Clubs at the invitation of a friend end up bringing their entire family to church.

## Program Descriptions

One of our three programs will work for you and your children!

### **Pioneer Program: Age-Specific Clubs**

Created for churches wanting to minister to kids using age-level groups, the Pioneer program offers five club groups for age 2 through middle school. Choose from:

Skippers (ages 2 & 3)

Scooters (ages 4 & 5)

Voyagers (grades 1 & 2)

Pathfinders (grades 3 & 4)

Trailblazers (grades 5 & 6)

Use one group, five groups, or any number and combination in between! This program is flexible to fit your church.

### **Exploring Program: Large-Group Format**

Designed for easy use with large groups of children, the Exploring program gives you the convenience and high-energy fun of a large-group presentation, plus the relationship-building aspects of small groups. And because your adult volunteers choose a club leadership role based on their own gifts, interests, and schedules, recruiting leaders has never been easier or more rewarding!

### **Discovery Program: Small-Church Solution for Children's Ministry**

If ministry to a small group of children ranging from kindergarten through grade 6 is your challenge, the

Discovery program is the solution! Discovery is sold as a kit and contains everything you need to run a weekly club program for up to 12 kids for one school year.

Take the next step—Order a starter kit for the program that best fits your church.

The Children's Ministry Experts

You have a **heart** for kids.

We help you show it.

It's our responsibility to nurture them, love them and teach them the unchanging message of Christ's love.

We all agree that kids need a solid spiritual foundation, but what's the best way to make that happen? Pioneer Clubs offers three programs— Pioneer, Exploring and Discovery—that incorporate small groups, participative Bible study, and age-appropriate application so kids can build a solid spiritual foundation that transforms young lives. Pioneer Clubs® equips you to help children put Christ in every aspect of their lives.

Pioneer Clubs is a proven midweek club program for today's kids—from pre-school through middle school. Each week this Christ-centered program integrates spiritual and personal development to help boys and girls build healthy relationships with adults, peers and most importantly, Christ. For many children, a Pioneer Clubs program is the highlight of their week.

When you begin a Pioneer Clubs program in your church, you'll see kids:

- study and memorize scripture
- apply God's Word to their lives
- build friendships
- learn important life skills
- sing songs and play games
- engage in skill building activities
- have fun—all in a fun loving, friendly environment

At Pioneer Clubs we equip churches with effective children's ministry programs. We understand that to reach children with the life-changing message of God's Word we need to engage them on a spiritual, social, physical, emotional and intellectual level. Our three programs—Pioneer, Exploring and Discovery—do that and more!

With Pioneer Clubs you'll get a program that offers you:

- discipleship
- flexibility
- outreach
- affordability
- leader-friendly materials
- Bible-based content
