

**SUMMER 2016**

**Cuba Children's Ministry Conference**  
**PRAYER REQUESTS**

**Join us in praying that God would:**

1. Assemble the right group of people for the team that will provide training to the children's ministry volunteers in Cuba.
2. Prepare the hearts of the children's ministry volunteers in Cuba and impress on them the need for training.
3. Allow the entire team to acquire travel permission (entry visas) and see that all travel arrangements go smoothly.
4. Ensure that all Pioneer Clubs program material sent into Cuba will arrive to its destination without any difficulty.
5. Prepare children's hearts in Cuba to be receptive to the gospel that will be presented during the hands-on training.
6. Provide the financial resources needed to hold this initial Children's Ministry Conference, provide program materials to the churches in Cuba and continue this initiative in the coming years.

**Thank you for supporting us in prayer and partnering with the church in Cuba to reach children for Christ.**
