

DELTA Emblem Set Instructions

Each child receives one emblem and lanyard at the beginning of the year. You may choose to write the name of each child on the front of their emblem to use as a name tag as well. We recommend leaving the emblems at club each week.

After completing a full Bible unit, each kid would receive one of the Bible Award stickers to place on the back of the emblem in the Bible Award circle. For each additional Bible unit that is completed, another sticker would be awarded and put on the Bible Award circle. When a child has completed all six units, the circle will be full.

Do the same for the Skill and Game units.

In addition to receiving their 6th sticker for Bible, Skills or Games, each kid who has completed all six units may also receive the corresponding Bible, Skill or Game Award pin for finishing that year of DELTA. These pins can be attached to their lanyard. Kids can collect pins from year to year.

You may also choose to use the Pioneer Clubs Membership pin to pass out at the beginning of the year, or after each child has finished their first year in DELTA.
