Practice the Bible words.

"Jesus

loves

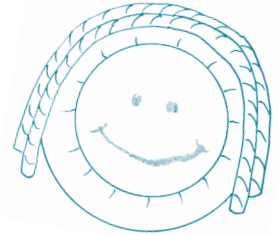

me"
(John 15:9)

Make a happy face.

Help your child draw a happy face on a paper plate. If you want to, add yarn for hair.

Option: Make a sad face on another plate.

- Talk together about the difference between happy and sad. Hold the happy face and say, "I feel happy when _____," and give some examples.
- Let your child hold the face and tell when he or she feels happy.
- Hang the happy face in your child's room.

Do an action rhyme together.

I'm happy, I'm happy

'Cause Jesus loves me.

I'm smiling, I'm smiling,

'Cause Jesus loves me.
