

RELATIONAL KIDS MINISTRY

2023 | 24 MINISTRY RESOURCES

WELCOME TO PIONEER CLUBS

As our culture moves further away from principles, values and ethics built on a Judeo-Christian foundation, our children find themselves in a world that no longer has their best interests at heart. They are being bombarded through media, technology, and even in the public schools with ideas and beliefs that run counter to God's Word and all that He would have for them. Families and churches are on the frontlines of this battle for the hearts of our kids and need as much help as possible to do the work God has called them to do.

For more than eight decades, our ministry has been partnering with churches and families to help the next generation learn to follow Christ in every aspect of life. Our resources are unashamedly grounded in God's Word and our programs put relationships at the forefront of all we do. We strive to help kids build lasting relationships with their peers, adult leaders and, most importantly, Jesus. You can count on Pioneer Clubs to introduce children to who God is and all that He has done for them .

As you look through the various programs and resources we offer, I trust you find something that will help you teach children to follow Christ in every aspect of life. If you have questions about our products or if there is any way we can serve you, please call us at 800-694-CLUB (2582). We would be thrilled to partner with you to reach children for Jesus!

Our Mission Statement

Pioneer Clubs is passionate about training up children and youth to follow Christ in every aspect of life by providing biblically-based, educationally-sound resources.

Ministry Distinctives

With all the choices available in the world of children's ministry, why choose Pioneer Clubs? Here are some of the key distinctives of our ministry programs:

Rooted in Scripture, Centered on Christ

Our primary objective is to help kids learn to fully follow Christ in every aspect of life as they discover the truths found in God's Word. Through regular Bible Exploration, children will learn for themselves who Jesus is and what it means to be His disciple.

Intent on Relational Connection

Discipleship requires relationship, and in a media-saturated world filled with every kind of distraction, connecting with kids can be difficult. That's why all of our programs provide intentional and organic opportunities for kids to connect with God, their leaders and their peers—all while having fun.

Educationally Sound

No two kids are alike. Because each child learns in a different way and is at a different stage of development, our programs employ a variety of learning strategies. This approach is meant to include every child and allow them to fully participate.

Highly Collaborative

Because relationships are so central to what we do, we believe a collaborative environment is best suited to help kids deepen their connections with each other. Though at times some of our games will be competitive, we strive to engage children in collaborative activities to build relationships.

Purposeful Life-Skill Training

Kids are sponges. They love to discover new things and engage in new experiences. Helping kids explore new activities and ideas is the goal of the life-skill training our programs offer. Alongside caring adults and with their friends, kids will have fun learning new skills.

Outreach Friendly

Healthy churches seek to reach their neighborhood and community with the good news of the gospel. Nearly 50% of the children who attend our club programs come from non-churched families, allowing churches a great opportunity to minister to those who need Christ.

Just like children, churches come in all shapes and sizes. Unfortunately, not all children's ministry programs do. Whether your church ministers to just a handful of children or draws a large crowd of kids, Pioneer Clubs has a program that is sure to meet your church's needs.

A Journey through Scripture for Families and Churches

BibleX is a new way for families to journey through Scripture to discover God's grand plan through the ages. Starting with Book of Beginnings, each of the eight BibleX Adventure Kits is a family devotional designed to help families explore God's Word together with activities that will get them reading, discussing, memorizing and discovering Scripture like never before.

For Families

BibleX is a family devotional kit that parents, grandparents, guardians, and caretakers can use to take kids on a journey through Scripture. Each Adventure Kit covers a different part of the Bible and equips families with enough reading and interactive activities for 13 weeks.

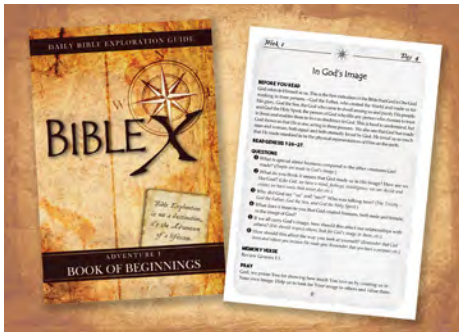

For Churches

Use BibleX to minister to the families in your congregation. Churches can purchase BibleX Adventure Kits to give to families for use at home or use it in conjunction with Bible lesson plans as part of your weekly children's ministry. BibleX includes a Sunday school curriculum add-on option.

*Bible Exploration is not a destination,
it's the Adventure of a lifetime.*

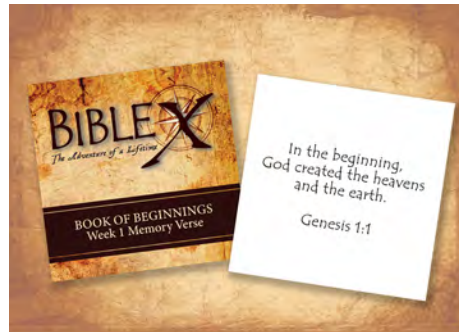

BIBLEX ADVENTURE KIT

Each BibleX Adventure includes the following:

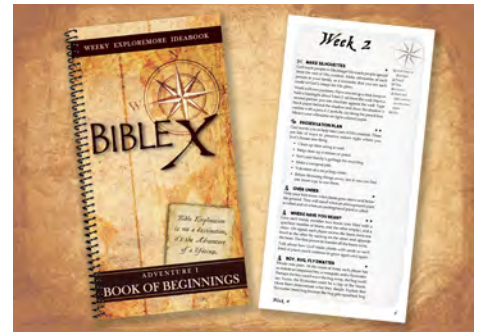

Daily Bible Exploration Guide

The family's guide to each day's Bible reading, discovery/discussion time and family prayer.

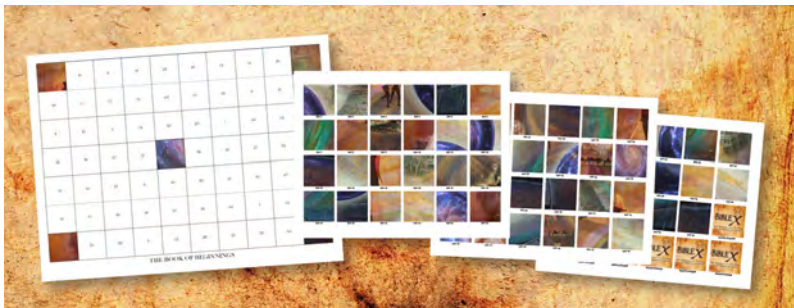

Bible Memory Cards

Helps families memorize the weekly Bible verse and recall what they have discovered in God's Word.

ExploreMore IdeaBook

Filled with a variety of weekly family activity ideas to help kids remember the truths they're learning.

Discovery Poster & Stickers

Families will see what they're reading come to life as they fill in the poster with a sticker each day.

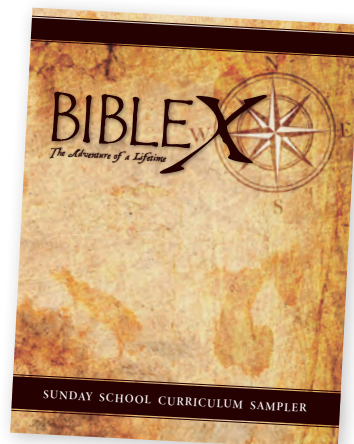

Daily Adventure Sheets

These downloadable, age-appropriate activity sheets will help kids understand and retain what families are reading in Scripture

A GREAT TOOL TO HELP CHURCHES PARTNER WITH FAMILIES

Though BibleX is designed for families to use at home, it can also help churches minister to the families in their congregation. You might choose to provide it as a resource to families to help them have a consistent devotional time. Or use it in conjunction with the weekly Bible lesson plans for Sunday mornings to partner with families—helping children learn and love God's Word.

DELTA CLUB

Disciples **E**quipped for **L**ife, **T**ransformation and **A**ction—it's what we hope the children who attend our DELTA club program will become. Through Bible Exploration, Scripture memory, life-skill activities, games, and much more, kids will learn the importance of following Christ fully in every area of their lives. And DELTA can work for churches with just a handful of children or those who minister to several hundred children each week.

LEADER RESOURCES

DELTA offers two different options for running club and two distinct leader planbooks. The All-in-One Planbook is geared for churches serving less than 15 kids of varying ages. The Large Group Planbook combined with age-graded Small Group Planbooks is best for larger clubs. Either way our planbooks provide everything you need for 24 regular club meetings. Those leading the life-skill activities and games will also need a copy of the Kid's Handbook.

KID'S HANDBOOKS

Handbooks for DELTA are used during the weekly Bible Exploration time, as well as for Scripture memory and all life-skill and games activity awards. Everything kids need for club are in these handbooks.

SCRIPTURE MEMORY

We believe meaningful Scripture memory is an important part of discipleship. The memory verses learned each year in DELTA are included in our Scripture memory verse sets. These are great for use at church or at home. Memory sets include vinyl DELTA carrying case.

AWARDS

The DELTA award system is made up of a DELTA lanyard, an annual DELTA emblem, award stickers, and a set of three award pins children can earn at the end of the year. For churches that prefer badge awards, we do have plans in place to use our existing Pioneer Clubs badges with DELA. Either way, awards are meant to keep children fully engaged with club activities throughout the entire year.

Grades 1-6

DELTA ALL-IN-ONE

The DELTA All-in-One program is designed for churches ministering to less than 15 children of varying ages with limited volunteers. The All-in-One Planbook is all you need to run this club. In it you will find weekly Bible Explorations and complete instructions for working with multi-age groups of children as they apply the lesson during the handbook time. And if your church experiences significant growth while running DELTA All-in-One, just switch to the Large Group and Small Group Planbooks since the kids' handbooks remain the same.

ORDERING HINT

If your church chooses to run the DELTA All-in-One club, just order an All-in-One Planbook—no need for the Large Group Planbook or the Small Group Planbooks.

DELTA REVIEW KITS

If your church is considering using the DELTA club program, we suggest you order one of our Review Kits. These kits will help you better understand how you can serve kids with our DELTA program.

DELTA All-in-One Review Kit #3976

Review Kit contains an All-In-One Leader Planbook, an Adventurer handbook (grades 3-4) and a DELTA emblem set.

Price - \$47.99

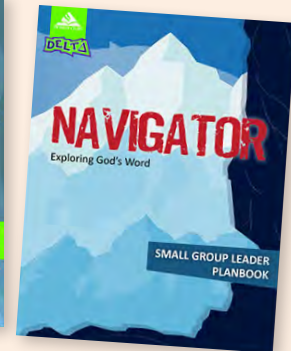

DELTA Complete Review Kit #1640

This kit contains a Large Group Planbook, the 3 corresponding Small Group Planbooks and 3 handbooks, as well as a training resource, club poster and a sample award set.

Price - \$119.99

DELTA LARGE GROUP/SMALL GROUP

This format is for churches serving more than 15 kids. Large Group Planbooks contain scripted Bible Explorations, Scripture memory review, prayer content and more.

Churches running this format will also need a Small Group Planbook for each small group leader. This planbook helps leaders facilitate age-appropriate discussion that follows up on the lesson presented during the large-group time. It focuses on the kid's handbook Bible activities, application of the lesson, Scripture memory and prayer content.

ORDERING HINT

Order enough planbooks of each kind for your large-group teachers and small-group leaders.

OTHER ITEMS YOU'LL NEED

AWARDS

No matter which format you decide to use, the DELTA awards provide kids with the motivation to keep coming back every week and actively participating in all club activities. The DELTA emblem is used to display the award stickers children earn during each 4-week unit and can also be used as a name tag when coupled with the DELTA lanyard. At the end of the year, kids who have finished the requirements for all six Bible, Skill and Games awards earn a special pin that they can display on their lanyards.

SCRIPTURE MEMORY

Scripture memorization is an important part of all of our kids programs. Our Scripture Memory Sets will help kids in committing God's Word to memory. And our Memory Verse Sticker help track the progress they have made in club.

PIONEER CLUBS

Our traditional Pioneer Clubs program offers three age-specific programs for children in 1st through 6th grade: Voyager (grades 1-2), Pathfinder (grades 3-4) and Trailblazer (grades 5-6). Each club program offers a time of Bible Exploration that includes a large-group lesson, small group discussions centered around activities in the kid's handbooks, and Scripture memory. In addition, club members will engage in fun life-skill activities, games, music and more!

LEADER RESOURCES

Each planbook in the Pioneer Clubs program gives you everything you need for 28 regular meetings, one Kickoff meeting and a special holiday meeting. Plans include Bible Explorations, life-skill award activities, Bible awards and Scripture memory, games and more. They are also resources to help parents reinforce at home the lessons kids are learning in club.

KID'S HANDBOOKS

Handbooks for this club program are used during the weekly Bible Exploration small-group time, for Scripture memory and for all life-skill activity awards. Everything kids need for club are in these handbooks.

SCRIPTURE MEMORY

All the memory verses learned in the various Pioneer Clubs are included on the cards in our Scripture memory verse sets and are great for use at church or at home. Sets also come with vinyl Pioneer Clubs carrying case.

AWARD BADGES

In Pioneer Clubs, kids in all three clubs earn both Bible award and Life-skill activity badges when they complete units in their handbooks. Our embroidered, iron-on badges will engage children and ensure their participation in all club activities. All individual badges are sold in 5-packs.

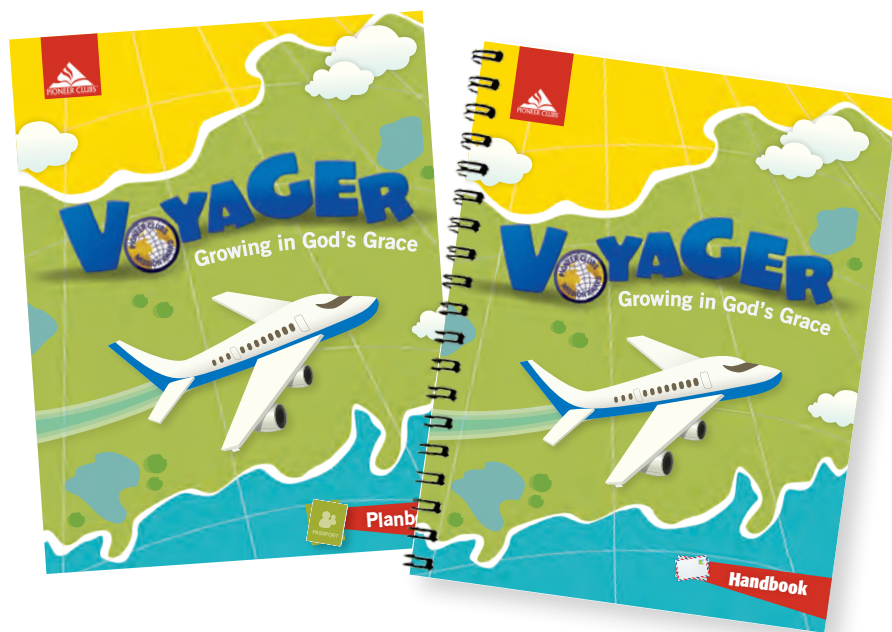

VOYAGER

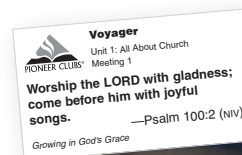

Grades 1-2

GROWING IN GOD'S GRACE

Without foundational, biblical principles, children will build relationships on cultural values, media influences, and peer pressure. The Voyager program supports values they are learning at home and church, such as love for God and others, service, and self-control. And it will show them how God wants them to relate to Him, their families, neighbors, church friends, and to His Word.

BOLT CLUB

BOLT lets you design a midweek club program—or other children’s ministry program—based on your church’s specific needs and resources. Each component of BOLT, both Bible Exploration and life skill training, is split into 4-6 lesson units, allowing you to hand-pick which are best for your church! Great for a midweek club program, BOLT can also be used for Sunday morning kid’s pull-out during the sermon, Sunday morning Children’s Church, summer church or day camp, life skills training or large group or small group Bible studies.

LEADER RESOURCES

There are a total of 16 different Bible Exploration units in the BOLT program. Units range from 4-6 weeks depending on the particular topic. The Large Group Planbook is used for the weekly Bible Exploration while the Small Group Planbook includes activities, questions and Scripture memory ideas to help reinforce the Bible lesson.

TAKE-HOME PAGES

Each week kids—along with their parents—can review at home what they learned in BOLT. These pages include fun activities and an exercise to help children recall the Scripture verse they memorized in club.

LIFE-SKILL TRAINING GUIDES

As with all of our programs, life-skill activities play an important role in the BOLT club. Choose from the 36 different life-skill activities we offer to help your kids learn new things. There are Life-Skill Training Guides available for both leaders and children.

AWARDS

Recognizing the achievements of children encourages them to learn and grow. With BOLT, kids can earn Certificates of Achievement for completing the life-skill activities they work on in club.

PRESCHOOL RESOURCES

Toddlers through preschoolers have an amazing ability to learn. Every day through investigating, exploring, and experiencing the world around them they are absorbing information that will impact them for years to come. There is no better time in life to introduce them to the God who created the world and reveals Himself to us in His Word. Through simple Bible lessons, age-appropriate Scripture memory, games, activities, and much more, kids will learn foundational, biblical truths.

LEADER RESOURCES

Our Skipper Planbooks for 2- and 3-year-olds gives you everything needed for 32 regular club meetings and 4 special meetings. For the 4-5-year-old Scooter club the planbooks allow for 28 regular meetings and 2 special meetings. And if you're looking for more, the Skipper & Scooter Celebrations resource provides more than a dozen simple plans for additional meetings for this age group.

KID'S MATERIAL

Both the Skipper and Scooter clubs offer resources to use with children. With both clubs, kids will complete an activity page each week. Also included with the kid's resource are ideas for parents that can help them reinforce at home what their child learned in club.

SCRIPTURE MEMORY

We believe meaningful Scripture memory is an important part of discipleship—even at a young age. Skippers learn a simple verse each week that is taught with easy hand gestures. Scooters also learn verses utilizing different memory "hooks." The material sent home each week includes the memory verse learned so parents can also work with children.

AWARDS

The awards for both Skipper and Scooter clubs include weekly stickers, as well as an iron-on badge for each 4-week Bible unit. Stickers are attached to activity pages while the badges can be displayed on the club T-shirt or in any way you choose.
